

"LOVE IS EVERYTHING"

One day you've got it made
Think you've finally got this whole thing figured out
Some nights you lie awake
Falling into something you can't live without

And it feels like you're holding on for life
Feels like you're finally letting go

Love ain't nothing but the beating of your heart
Waiting for a miracle, wishing on a star
Love ain't nothing but the air you've gotta breathe
The song in your soul and the power of your dreams
When you find out what it means
Love is everything

It's the universal play
Suddenly you're lost inside the good thing you've found
Funny how it works that way (works that way)
Never see it coming til your world is upside down

And it feels like you're holding on for life
Feels like you're finally letting go

Love ain't nothing but the beating of your heart
Waiting for a miracle, wishing on a star
Love ain't nothing but the air you've gotta breathe
The song in your soul and the power of your dreams
When you find out what it means
Love is everything

There's no feeling like the sweet surrender
When your world's been rocked
And there's no feeling like the one that makes you scream it
From the mountain top (Yah, yah, yah, yah)

(Don't you know it's love is everything)

Love ain't nothing but the beating of your heart
Waiting for a miracle, wishing on a star
Love ain't nothing but the beating of your heart
Waiting for a miracle, wishing on a star
Love ain't nothing but the air you've gotta breathe
The song in our soul and the power of your dreams
When you find out what it means
When you find out what love means
Love is everything

(Oh yes it is)
Love is everything
(Oh it's everything)
Love, (love) sweet love (sweet love)
Love is everything
(The beating of your heart, the power of your dream)
Love, sweet love
Love is everything

Love heals everything

"FIELDS OF GOLD"

You'll remember me when the west wind moves
Among the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold

Will you stay with me, will you be my love
Among the fields of barley
And you can tell the sun in his jealous sky
When we walked in fields of gold

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in fields of gold

Many years have passed since those summer days
Among the fields of barley
See the children run as the sun goes down
As you lie in fields of gold

You'll remember me when the west wind moves
Among the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold

"SAJNA"

When you smile I smile with you
When you cry I feel it too
Hear my soul, my heart callin' out to you

Be my eyes when I can't see
Be my voice when I can't speak
Be my light when darkness creeps on me

sajna sajna sajna re
sajna sajna sajna re
sajna sajna sajna re

To the star that shines so bright
Across the sky across the night
Making ways to be right by your side

Hold me close don't let me go
Hold me tight don't you say no
Save the love we have for evermore

sajna sajna sajna re
sajna sajna sajna re

sajna sajna sajna re

Save me... when my dream catches fire
Save me... be my only desire
Wake me... when the pain is over
Take me now... take me now

When you smile I smile with you
When you cry I feel it too
Hear my soul, my heart callin' out to you

Be my eyes when I can't see
Be my voice when I can't speak
Be my light when darkness creeps on me

sajna sajna sajna re
sajna sajna sajna re
sajna sajna sajna re

Hold me close don't let me go
Hold me tight don't you say no

Save the love we have for evermore

"PRIDE (IN THE NAME OF LOVE)"

In the name of love
One man in the name of love
In the name of love
What more? In the name of love

One man come in the name of love
One man come and go
One man come here to justify
One man to overthrow

In the name of love!
One man in the name of love
In the name of love!
What more? In the name of love!

One man caught on a barbed wire fence
One man he resists
One man washed on an empty beach
One man betrayed with a kiss

In the name of love!
One man in the name of love
In the name of love!
What more? In the name of love!
(In the name of love!)

Early morning, April 4th
Shot rings out in the Memphis sky
Free at last, they took your life
But they could not take your pride

In the name of love!
One man in the name of love
In the name of love!
What more? In the name of love!

One man in the name of love
In the name of love!
What more? In the name of love!
(In the name of love!)

"I'M NOT READY"

I am broken
There's a stranger on the phone
Something's missing,
From sever years ago
You tell me baby don't you cry anymore
That's the past and not what wwe've become,
but I know

I am shaking
Not a breath left to breathe
All this sadness, so cold
That I can't speak

Look me in the eyes,
You know it's ok that we didn't make it forever
Come hold my hand,
hold on to this last minute we have together
I'm not ready
To say goodbye
You and God both nknow
All the years I've tried
And if it's over
Give me the strenght to go
Cause I know I'm never gonna be
I'll never be ready to say goodbye to you

My bags are all packed
They're waiting at the door
It's hard to imagine
I won't live here anymore

I'm scared of tomorrow
And the emptiness to come
But I've changed for the better
Since I've know your love

So look me in the eyes,
You know it's ok that we didn't make it forever
Come hold my hand,
Let's hold on to this last minute we have together

I'm not ready
To say goodbye
You and God both nknow
All the years I've tried

And if it's over
Give me the strenght to go
Cause I know I'm never gonna be
I'll never be ready to say goodbye... to you
I'm not ready

And even if we tried, we would end up right back to this place together
This was not a lie, and what we had will always be a real love forever

Cause I'm not ready
To say goodbye
You and God both nknow
All the years I've tried
And if it's over
Give me the strenght to go
Cause I know I'm never gonna be
I'm not ready
To say goodbye
You and God both nknow
All the years I've tried
And if it's over
Give me the strenght to go
Cause I know I'm never gonna be
I'll never be ready
to say goodbye to you
I'll never be ready

"OVER THE RAINBOW"

Somewhere over the rainbow
Way up high
There's a land that I've heard of
Once, once in a lullaby

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Way above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

If happy little bluebirds fly
Beyond the rainbow
Why oh why can't I

"WHEN A MAN LOVES A WOMAN... IT'S A MAN'S MAN'S MAN'S WORLD"

When a man loves a woman

He can't keep his mind on nothin' else
And he'd trade the world
For the good thing he's found
If she's bad, he can't see it
She can do no wrong
Turn his back on his best friend
If he puts her down

When a man loves a woman
He'd spend his very last dime
Just trying to hold on, hold on to what he needs
He'd give up all, all his comforts
And sleep out in the rain
If she said that's the way
Baby that's the way it ought to be

When this man loves, when this man really loves a woman
I give you everything, I mean everything, baby everything I got
Just trying to hold on
To your precious love
Baby, baby please, please don't treat me bad

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl

You see, man made the car to take us over the road
Man made the train to carry heavy load
Man made electric light to take us out of the dark
Man made the boat for the water, like Noah made the ark

This is a man's world, a man's world
But it wouldn't be nothing,
nothing without a woman or a girl

(When a man loves a woman)
Man makes them happy
'cause you know that man makes them toys
(When a man loves a woman)
You know that man makes money
to buy from other man

The world would mean nothing without a woman,
woman or a girl
(When a man loves) This is a man's world, oh it's a man's world
But it wouldn't mean a thing,
not one in fact without a woman or a girl
(When a man loves a woman)
You know I need
(All I need)
But it wouldn't mean a thing, not one in fact
(When a man loves a woman)
This is a man's world

"THE PRAYER"

I pray you'll be our eyes, and watch us where we go.
And help us to be wise in times when we don't know

Let this be our prayer, when we lose our way
Lead us to the place, guide us with your grace
To a place where we'll be safe

La luce che tu dai
(I pray we'll find your light)
Nel cuore resterà
(And hold it in our hearts)
A ricordarci che
(When stars go out each night)
Eterna stella sei
(Remind us where you are)
Nella mia preghiera
(Let this be our prayer)
Quanta fede c'è
(When shadows feel our day)

Lead us to a place
Guide us with your grace
Give us faith so we'll be safe

Sogniamo un mondo senza più violenza
Un mondo di giustizia e disperanza

Ognuno lo dia la mano al suo vicino
Simbolo di pace, di fraternità

La forza che ci dà
(We ask that life be kind)
È il desiderio che
(And watch us from above)
Ognuno trovi amor
(We hope each soul will find)
Intorno e dentro sé
(Another soul to love)

Let this be our prayer
(Let this be our prayer)
Just like every child
(Just like every child)
Need to find a place
Guide us with your grace
Give us faith so we'll be safe
È la fede che
Hai acceso in noi,
Sento che ci salverà

"YOU ARE SO BEAUTIFUL"

You are so beautiful... to me
You are so beautiful... to me, can't you see?

You're everything I hope for
You're everything I need
You are so beautiful... to me

You are so beautiful... to me

You are so beautiful... to me, can't you see?

You're everything I hope for
You're everything I need...
You are so beautiful to me

"MAKE YOU FEEL MY LOVE"

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry I'd go black and blue
I'd go crawlin' down the avenue
There's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on a highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy
Make your dreams come true

There is nothin' that I wouldn't do
Go to the ends of the earth for you

To make you feel my love
To make you feel my love

"HALLELUJAH"

Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
Well, it goes like this
The fourth, the fifth
The minor fall, and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof

Her beauty in the moonlight overthrew you

She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

It's true that I have been here before
I know this room, I've walked this floor
I used to live alone before I knew you.
I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

"STEEL BARS"

In the night I hear you speak
Turn around, you're in my sleep
Feel your hands inside my soul
You're holding on and you won't let go

I've tried running but there's no escape
Can't bend them, and I just can't break these...

Steel bars, wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars, wrapped around this heart of mine

Trying hard to recognize
See the face behind the eyes
Feel your haunting ways like chains
'Round my heart they still remain

And with every step I take
Every desperate move I make
It's clear to me
What can all my living mean
When time itself is so obscene
When time itself don't mean a thing
I'm still loving you
